Below please list the classes that you would be interested in taking at ISU—list as many courses as possible. There are many factors that can influence your ability to get into a class—for instance: 1) The class may already be full or has been cancelled; 2) It may be limited to degree-seeking students and those who are graduating soon; or 3) You may not have the necessary background to qualify for a class. Students must be flexible concerning their schedules. Courses can be found in the University Catalog: http://illinoisstate.edu/catalog/ or in Course Finder: http://coursefinder.illinoisstate.edu/.
